

DiSC® Train the Trainer

Program Overview -

- Experience the Everything DiSC® assessment process, receive personalized profiles, and apply the profiles to real-world scenarios.
- Go deeper with DiSC® theory and research so that you feel confident to answer common questions in training sessions.
- Get a high-level overview of the Everything DiSC® facilitation materials and how to use the tools to meet the needs of your company.
- Receive The Learning Edge's training materials, activities and best practices. These have been designed and tested by The Learning Edge, enabling us to provide you with the very best delivery model for Everything DiSC so you can achieve the best results on a go-forward basis. These additional resources go "Beyond the Kit".
- Learn how to keep the Everything DiSC® language alive by creating a culture of DiSC®.
- Follow-up and continued support/coaching from Denise McIntyre at The Learning Edge.
- Upon successful completion of the course, receive a certificate.

Learner Response

Having the opportunity to work with Denise and her team at The Learning Edge has been an unforgettable experience. The impact it has had on me, both professionally and personally, is immeasurable. I cannot speak highly enough of this program. Denise's passion for what she does and her belief in its transformative power are truly evident.

Joel Gerard, Goodwill Central Texas
