

Getting Started with Catalyst™ Practitioner

1

DO YOU HAVE AN EPIC ACCOUNT?

For the full Catalyst Practitioner Experience, ensure you have an EPIC Account (*Electronic Profile Information Center*) where you can generate and store DiSC profiles.

YES

Proceed to next step.

NO

You can still access Catalyst Practitioner if you have a Catalyst Account and Wiley Facilitation Kit. Your access will be limited without learner insights and reports. You can skip to step 4 or contact us to purchase an EPIC Account.

2

DO YOU HAVE A CATALYST ACCOUNT?

Ensure you have the Workplace on Catalyst Profile that includes your personal Catalyst Account (not traditional Workplace Profile).

YES

Proceed to next step.

NO

Assign in your EPIC Account or The Learning Edge can assign.

Cost: 15 EPIC Credits [\$90 USD]

Complimentary upgrade for existing learners with traditional profiles.

3

HAVE YOU SYNCED EPIC & CATALYST?

This enables EPIC Administrators to sync to **Catalyst Admin** and access learner insights and reports in Catalyst Practitioner.

YES

Proceed to next step.

NO

Step 1 (optional): Create an EPIC user account for each *additional* EPIC administrator who will require access to Catalyst Admin.

Step 2: Sync each EPIC admin user to their Catalyst account.

4

DO YOU HAVE A WILEY FACILITATION KIT?

A Wiley Facilitation Kit is required to access Catalyst Practitioner. *Must own one of the following: Everything DiSC Catalyst, Workplace, Agile EQ, or Management.*

YES

Locate your Wiley Facilitation Kit Serial number. Kits purchased before August 15, 2025 receive 1-year complimentary access. *Offer ends December 31, 2025.

NO

Purchase the new Wiley Everything DiSC Catalyst Facilitation Kit from The Learning Edge for \$1,495 USD until April 30, 2026 (\$2,200 USD beginning May 1, 2026). Includes 1-year access to Catalyst Practitioner.

5

UNLOCK WITH KIT SERIAL NUMBER

Unlock Catalyst Practitioner using your Wiley Facilitation kit serial number.

1. Login to your personal Catalyst Account.
2. Go to the Catalyst Practitioner Experience.
3. Enter your kit serial number to unlock access.

4. Note each kit serial number can only be used once. Additional administrators will need to use a different kit serial number.

5. Your DiSC Facilitator Community login will be emailed to you 24 hours later.
